LETTERS

Write each of your spelling words in a creative, colorful, and unusual font style, using different shapes, sizes, ideas, and a lot of imagination! Your teacher may want you to do this activity on a different sheet of paper.

My words: _____

POSITIVE COMMENT STRIPS

Use this activity near the end of the school year to help build student self-esteem. Provide your students with one or more copies of this page and instruct them to write one **positive comment** about every person in the classroom on each of the outlined strips (*teacher included*). Emphasize that harmful comments are not appropriate and will be screened and discarded. When all comments are completed, they are to be cut into strips, handed in to you, inspected, collated, and stapled. Lastly, present your students with their own package of “feel good”, positive comments and just watch the smiles!
